MONTRÉAL / LAKE ONTARIO SECTION

SPEED RESTRICTION ON LAKE ST-LOUIS (CANCELLED 2015/10/14)
Mariners are advised that due to a planned outflow reduction resulting in lower water levels on Lake St. Louis, the speed limit between buoys A30 and A40 on Lake St. Louis is reduced as follows:

➢ Vessels with a draft greater than 70 dm are limited to 10 knots upbound and 12 knots downbound.

For vessels with a draft of 70 dm or less, the speed limit remains limited to 12 knots upbound and 14 knots downbound respectively.

We will monitor conditions closely and advise mariners of any further changes.
